

## LAVELLE INTRODUCES KORKY® QUIETFILL™ TOILET FILL VALVE

Lavelle recently launched their new Korky® QuietFill™ valve into the marketplace. The toilet fill valve is being positioned as the quietest fill valve on the market today.

Key benefits of the Korky® QuietFill™:

- \* Proven two times quieter than other leading fill valves.
- \* Simple height adjustment mechanism to fit all two-piece toilets and most one-piece toilets.
- \* 5 year guarantee.
- \* Ease of installation by professionals or do-it-yourselfers.
- \* Meets all plumbing codes.
- \* Resists chemicals found in municipal water and toilet tanks.
